

CHESTER J. CULVER
GOVERNOR

OFFICE OF THE GOVERNOR

PATTY JUDGE
LT. GOVERNOR

December 4, 2007

Dear Friend,

At the start of the Culver - Judge Administration, we laid out our vision for the future of this state – One Iowa, One Unlimited Future. This represents our firm belief that the only way for Iowa to succeed is if everyone comes together to work for the common good. For this vision to become a reality, it requires the participation of every Iowan, regardless of race, age, gender, sexual orientation or ethnicity.

Work has already begun in towns and cities across the state, but we need your help with two great initiatives.

Soon we will be appointing another round of citizens to Iowa's Boards and Commissions. If you or someone you know has a desire to make an impact on the State of Iowa, please fill out a Board and Commission Appointment Form. Boards and Commissions are an essential part of Iowa's government, and members are the "citizens' voice" in our administration. Members of Iowa Boards and Commissions are of different backgrounds, geography and political opinions, but all share a commitment to Iowa.

The Culver - Judge Administration is also looking to highlight the efforts of individuals and organizations that are making the goal of "One Iowa" a reality. As a formal means of recognition, the Lt. Governor created the One Iowa Award. This award is designed to showcase diversity efforts and build a better future for Iowa. The Lt. Governor is proud to partner with corporate sponsors Rockwell Collins and Bankers Trust on the award. If you would like to nominate a group or individual for this award, please fill out the One Iowa Award Application.

We look forward to hearing from you and working together on the important tasks that lie ahead. With your help, we will continue to lead this state we love to the greatness that we all know is possible!

Sincerely,

Chet Culver
Governor
